SYDNEY CBD

When people think of Sydney's city centre, images of Sydney Harbour Bridge, Sydney Opera House and Circular Quay usually spring to mind. They are all iconic places and must-dos on any visitor's itinerary, but hidden within Sydney's busy streets are a collection of unique businesses and attractions waiting to be discovered. From chic international brands, Australian designer fashion and quirky concept stores to award-winning bars and restaurants, the shopping and dining experiences presented in Sydney's city streets are as diverse as they are absorbing. So what more is there to do but get moving and check out the heart and soul of one of the world's most beautiful harbour cities.
