

ABOUT SURRY HILLS

The gracefully ageing architecture of Surry Hills is like a backdrop in a theatre production brimming with a bohemian and trendsetting cast of people. This is Sydney's creative hub where design, fashion, music and style are as essential as breathing. Vibrant homeware and furniture stores, quirky gifts and independent fashion boutiques in tree-lined streets where the scent of fresh coffee and paninis is always in the air... that's what this edition of Urban Walkabout is all about.
